- Referring to the Powerpoint for JAG viewing and determine how to notify 1<sup>st</sup> Sergeants of pertinent information regarding the troops under their supervision, Tony Correia advised the person who was in charge of working this up is currently deployed and he would work on finding out who would be contact person for this
- Tony Correia advised he has given notice to the gate personnel regarding badges and people who need to get on base for various reasons, DCF etc. to hopefully ease their entry. Unknown if their have been any further problems with Hurlburt or if any problems on Eglin
- Discussion about creating a baseline to define labeling offenders and to increase the communication between state and county probation regarding probationees.
- Inv. Holloway updated the group on the passage of House Bill which now allows non-reporting victims to have sexual assault kit completed similar to military's restricted reports.
- Next meeting set for 110607 noon in Courtroom G
